## **Memo\_PTCE\_T\_0089, Version 2.0**

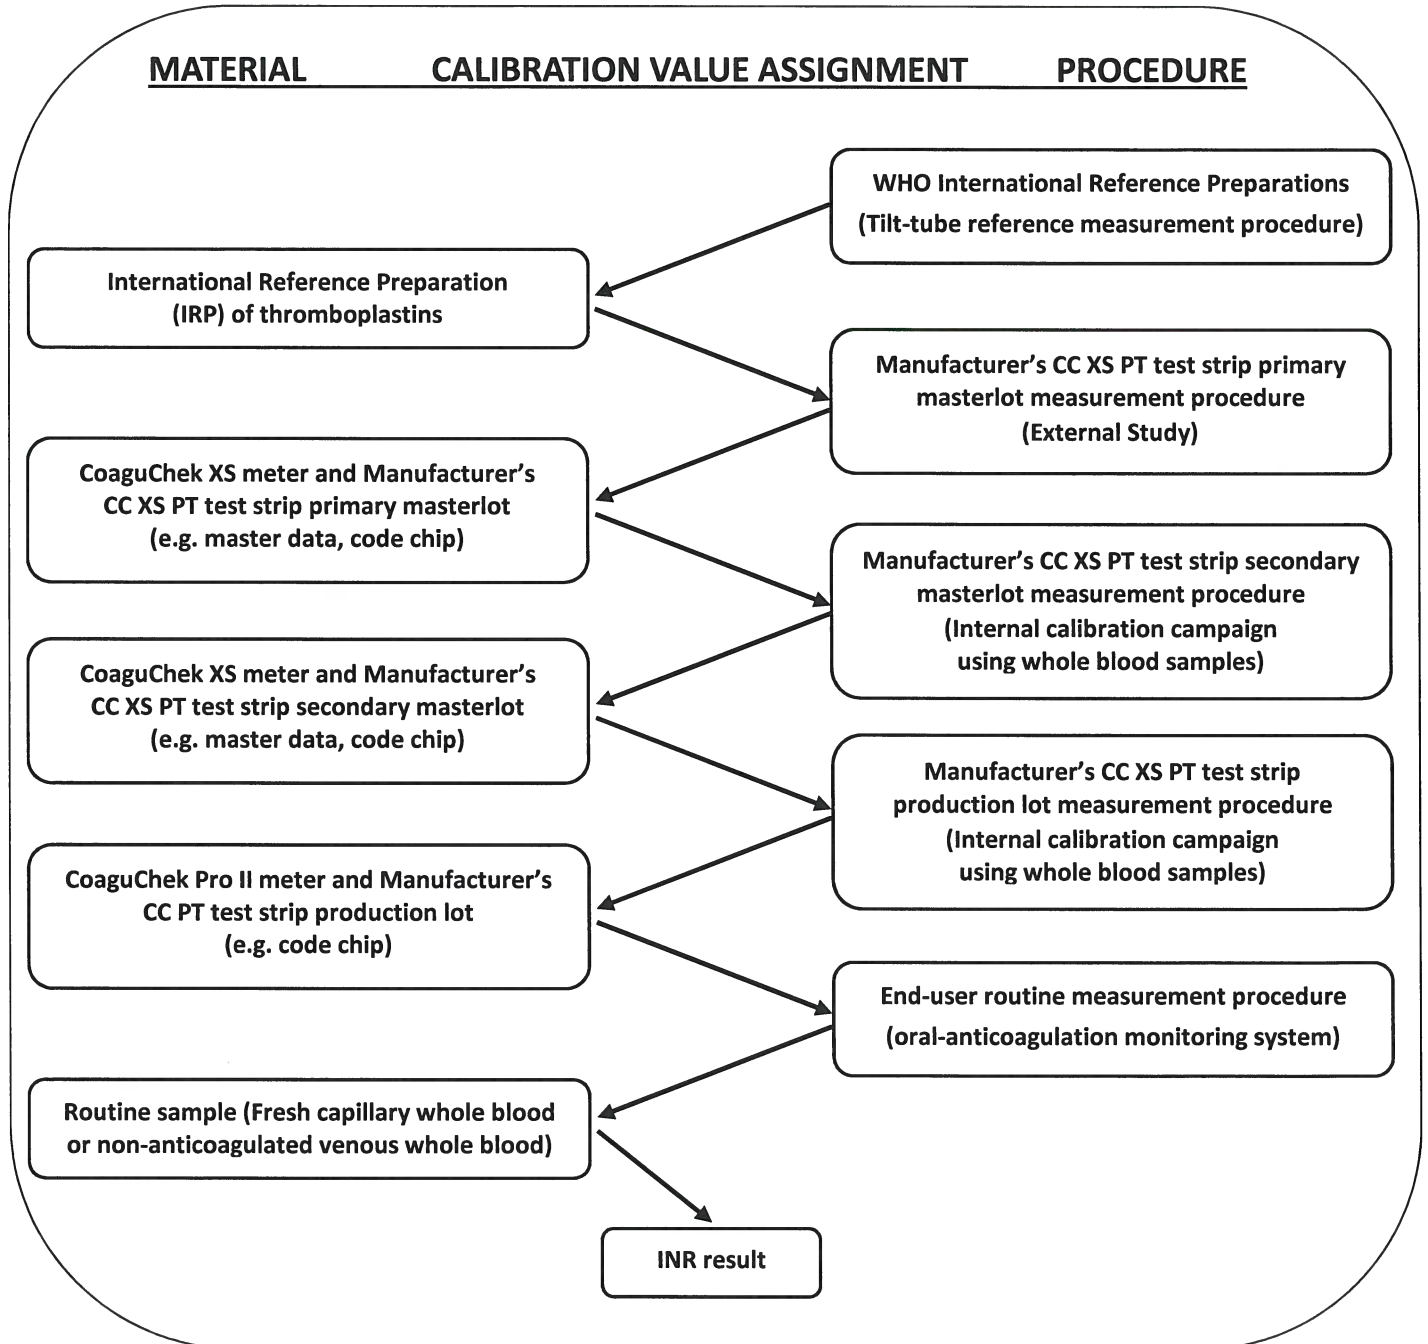

### **Traceability for blood measurements of the CoaguChek PT Test on the CoaguChek Pro II System**

#### **1. Intention**

A concept for traceability for blood measurements developed for the CoaguChek PT Test on the CoaguChek Pro II System.

## 2. Traceability Chain

The traceability chain for the CoaguChek PT Test (CC PT Test) can be displayed as follows:

**Figure:** Traceability chain for a measurement result of the oral anticoagulation monitoring system CoaguChek Pro II with the CoaguChek PT Test to the reference method
