# cobas® infinity laboratory solution

Main, Administration and Monitoring Tab Navigation

Main Tab

Information in the **Main** tab is where you perform daily tasks, such as entering, processing and printing orders

Click on **Menu** to view all topics in this tab

Please note: The Work area names are customized per customer. What you see in our example won't necessarily reflect the names of your Work areas.
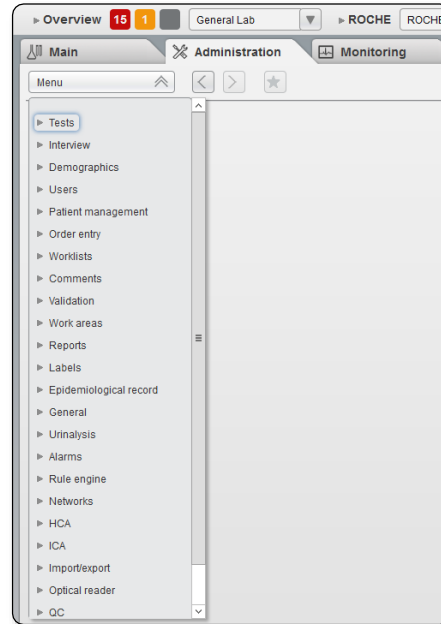

Administration Tab

Information in the **Administration** tab is available only visible to Administrators. This tab allows you to perform configuration tasks

Click on **Menu** to view all topics in this tab

Monitoring Tab

Information in the **Monitoring** tab allows you to check the software performance

Click on **Menu** to view all topics in this tab
